Introduction to Be Well Fox Valley AmeriCorps Information Session

2024-2025 service year

- Overview of AmeriCorps & BWFV
- Overview of BWFV AmeriCorps
- Who are the members?
- Host site information
- Application overview
- Wrap up

Overview of AmeriCorps

- What is AmeriCorps (Ameri-core)?
 - Federally funded agency
 - Funds programs that utilize members (through service) to address identified areas of need within the nation/community, etc.
 - Members = individual who serves in an AmeriCorps program

AmeriCorps

Federal level

State level

Local program

- Some issues that AmeriCorps can address:
 - Child and Adult Education
 - Community Development
 - Disaster Relief
 - Environmental Issues
 - **Health and Human Services**
 - Homeland Security
 - Mentoring
 - Senior Care
 - Service Learning

- What is Public Health AmeriCorps?
 - Partnership: AmeriCorps + CDC
 - Goals:
 - Address local public health needs
 - Public health workforce development

Overview of BWFV

Five light gray circles are arranged in a pattern around the title: one at the top center, three in a row below it, and one at the bottom center.

- Mission:
 - Partnering to advance a culture of health and well-being for all
- Vision:
 - The Fox Valley is a place where all people have the opportunity to live longer, healthier, and happier

Overview of BWFV AmeriCorps

- **What:**

- Members provide capacity building services that support:
 - Physical, mental, social health and wellbeing
 - Helping individuals meet their basic needs (address Social Determinants of Health)
- Member activities → support BWFV, host site organizations, and community members
- Grant funded = 9/1-8/31
- United Way Fox Cities = housing and fiscal agency to BWFV and BWFV AC

What: 6 Goals:

1. A vibrant regional food system that provides access to healthy, affordable food for all people.
2. A cohesive and connective multi-model network that provides recreational and transportation options for all people.
3. Local settings (hospitals, communities and neighborhoods, schools, early care centers, worksites, and faith institutions) that promote healthy choices and behaviors.
4. Strong community-clinical partnerships that help prevent and manage chronic disease.
5. Inclusive public spaces that foster social connection.
6. Address 1 of the 5 SDOH Domains as defined by [Healthy People 2030](#). The 5 domains are economic stability, education access and quality, health care access and quality, neighborhood and built environment, and social and community context.

- **Where:**

- BWFV AmeriCorps jurisdiction = Calumet, Outagamie, Winnebago Counties and neighboring WI counties
- Host site = organization that has a member serving their time
- Members serve at eligible host site organizations:
 - Federally Recognized Indian Tribes
 - Educational Institutions
 - Governments Agencies
 - Nonprofit Organizations

- **Where:**

- **Examples of past and current host sites:**

- Local health departments: Calumet, Outagamie, and Winnebago Counties
- Local health systems/clinics: Ascension, Aurora, ThedaCare, Mosaic Family Health, Partnership Community Health Center
- Educational Institutions: Menasha Joint School District and UW-Oshkosh Head Start
- Non-profit: B.A.B.E.S, Be Well Fox Valley, Community Clothes Closet, Feeding America Eastern WI, First Five Fox Valley, Fox Valley Advance Care Planning Partnership, NEW Hmong Professionals, NEW Mental Health Connection, Pillars, Riverview Gardens, SOAR Fox Cities, United Way Fox Cities, VPI, Inc., YMCA

- **Goals:**

- 14 members will be enrolled in our program
- Members will support at least 8 host site organizations with capacity building services.
 - 6 of those organizations will report an increase in efficiency, effectiveness, and/or scale/reach in the member-supported programs
- Provide training and ongoing support to all participating host site organizations
- Provide, lead, and/or connect enrolled members to personal and professional development training opportunities
- Positive improvement in health and well-being throughout the greater Fox Valley region

		900 hour	18-22	\$7,412	\$507.35	\$3,697.50
		675 hour	13-17	\$5,559	\$380.51	\$2,817.14
		450 hour	9 to 12	\$3,706	\$253.68	\$1,956.35
First half	9/1/24-2/28/25	900 hour	35-40	\$7,412	\$1,014.71	\$3,697.50
		675 hour	26-30	\$5,559	\$761.03	\$2,817.14
		450 hour	18-22	\$3,706	\$507.35	\$1,956.35
		300 hour	12 to 15	\$2,471	\$338.24	\$1,565.08
School year	9/1/24-6/9/25	1200 hour	30-34	\$9,882	\$854.49	\$5,176.50
		900 hour	23-28	\$7,412	\$640.87	\$3,697.50
		675 hour	18-22	\$5,559	480.65	\$2,817.14
		450 hour	12 to 15	\$3,706	320.43	\$1,956.35
2025 term	1/2/25-8/31/25	1200 hour	35-40	\$9,882	\$1,014.71	\$5,176.50
		900 hour	27-31	\$7,412	\$761.03	\$3,697.50
		675 hour	20-24	\$5,559	\$570.77	\$2,817.14
		450 hour	14-16	\$3,706	\$380.51	\$1,956.35
Second half	3/3/25-8/31/25	900 hour	35-40	\$7,412	\$1,014.71	\$3,697.50
		675 hour	26-31	\$5,559	\$761.03	\$2,817.14
		450 hour	18-22	\$3,706	\$507.35	\$1,956.35
		300 hour	12 to 15	\$2,471	\$338.24	\$1,565.08
Summer	6/2/25-8/31/25	450 hour	37- 40	\$3,706	\$1,014.71	\$1,956.35
		300 hour	24-28	\$2,471	\$676.47	\$1,565.08

- **How:**

- Activities align with at least 1 of 6 BWFV Goals
- Primary member activity: capacity building services
- Secondary member activities:
 - Health education
 - Volunteer management

- **How:**

- Capacity building services

- **Definition:**

- Expand the scale, reach, efficiency, and/or effectiveness of host site's programs and/or initiatives that align with at least 1 of the 6 BWFVAC goals

- **Goal:**

- Positive increase in scale, reach, efficiency, and/or effectiveness of host site's programs and/or initiatives that align with at least 1 of the 6 BWFVAC goals.

- **How:**

- Capacity building services

- **Examples:**

1. Helped create, run, and support a new Prevent Type II Diabetes Program → completed and analyzed community needs surveys, created new educational materials for participants in the program, provided one-on-one support to the participants in the program, and assisted with program evaluation.
2. Data collection and research for community health needs assessment
3. Created and administered a survey to learn the barriers people of color and at-risk individuals may face when utilizing outdoor recreational spaces
4. Reviewing, and streamlining a consist employee training program (new employee orientation, continuing education, etc.)
5. Community outreach to promote COVID-19 vaccination clinics and provide community resources to individuals who attend the vaccination clinics
6. Provide information on community resources to address SDOH

- **How:**

- Capacity building services

- **Examples continued :**

1. Created a curriculum library for worksite wellness resources → trained staff on the resources, where to find them within their filing systems, etc.
2. Coordinated and led new health and wellness programs and activities for Special Olympic athletes and other individuals with disabilities.
3. Coordinate and lead fruit and vegetable taste tests in new early care centers, elementary, middle, and high school students.
4. Update current marketing plans to include new social media platforms and revised public newsletters.
5. Help organize and update a client intake process to improve case management.
6. Updated a standard opportunity procedure manual for organization's volunteer practices

- **How:**

- Secondary activities: Health education:

- **Examples of health education topics:**

- Nutrition education (i.e. Farm to School/Farm to Early Care topics, meal prep, grocery store tours, beverage choices, etc.)
 - Physical activity
 - Importance of sleep
 - Practice mindfulness
 - Chronic disease prevention
 - Resources to help improve health and well-being (i.e. apps, nutrition/sleep, physical activity logs)
 - Community resources to help address social determinants of health (i.e. transportation resources, local food pantries, basic needs assistance)
 - How to start, maintain, grow, harvest a garden
 - Healthy donations to food pantries
 - Importance of social connection/barriers of social isolation

- **How:**

- Secondary activities: Health education:
 - **Examples of where health education may occur:**
 - Schools
 - Early care centers
 - Non-profit/public agency workplaces
 - Health care centers (i.e. waiting rooms, prevention programs, etc.)
 - YMCAs
 - Boys and Girls Clubs
 - Food pantries
 - Urban/school/community farms/gardens
 - Community events
 - ADRC facilities

- **How:**

- Secondary activities: Volunteer management

- **Definition:**

- Members directly manage volunteers to help with their service activities
 - Directly recruit volunteers to support the host site health and wellness programs and/or initiatives

- **Goal:** increase community engagement and service involvement

- **Examples:**

- Recruiting and using volunteers to help run a fruit and vegetable taste test during a lunch hour at a local school
 - Recruiting and using volunteers to help maintain a school or community garden/non-profit urban farm
 - Recruiting and using volunteers to help an outdoor 5k that a member helped coordinate

- **How:**

- NOTE: Per federal prohibited activities, members can't:
 - Take the place of or work of existing employee/volunteer
 - Partake in political engagement/lobbying/activism
 - Support/promote/deter unions or collective bargaining agreements
 - Lead/coordinate religious instruction/worship, etc.
 - Provide a direct benefit to a for-profit
 - Help with census or voter registration activities
 - Refer clients to abortion services
 - Raise federal funds
 - Raise funds for host site's general revenue streams
